Notes to Editors

Vertu Motors, the UK automotive retailer with a proven growth strategy, is the sixth largest automotive retailer in the UK with a network of 116 sales outlets across the UK. Its dealerships operate predominantly under the Bristol Street Motors, Vertu, Farnell and Macklin Motors brand names.

Vertu Motors was established in November 2006 with the strategy to consolidate the UK motor retail sector. It is intended that the Group will continue to acquire motor retail operations to grow a scaled dealership group. The Group's acquisition strategy is supplemented by a focused organic growth strategy to drive operational efficiencies through its national dealership network. The Group currently operates 114 franchised sales outlets and 2 non-franchised sales operations from 96 locations across the UK.
